REWRITE THE SCRIPT

re

With A Level Maths

THE GREAT THING
My SO
IS THAT BLAC
GOES WITH EVERY

It is a requirement of many [university courses](#) and would prove very useful for many others.

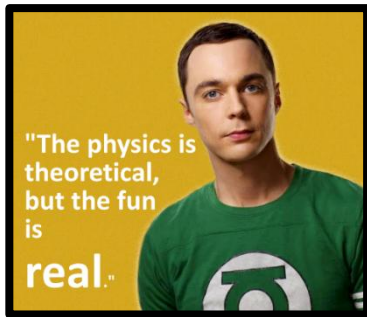

Chemistry

Medicine + Dentistry

Computer Science

Physics

Business

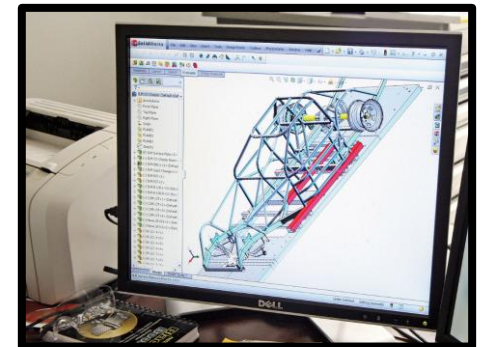

Finance

Psychology

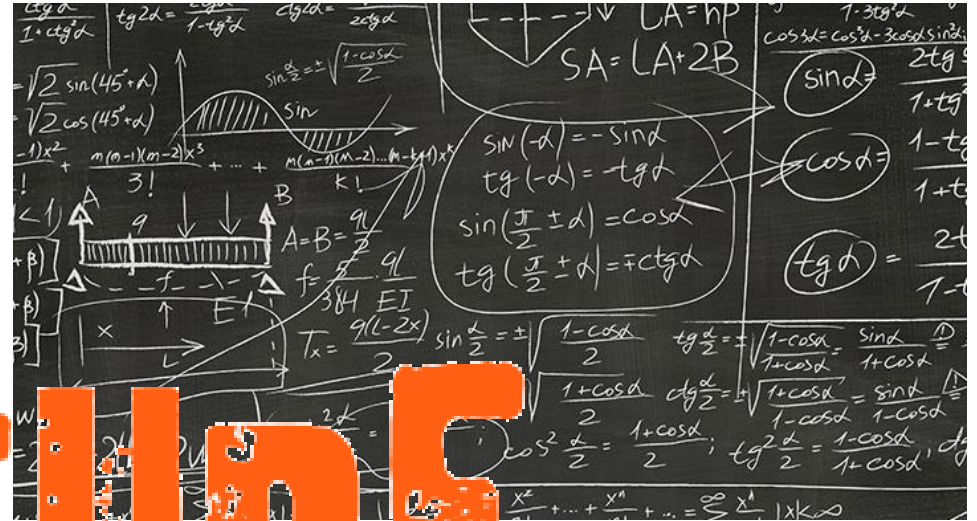

Engineering

Design

Why maths? The future appears to demand it...

FUTURE

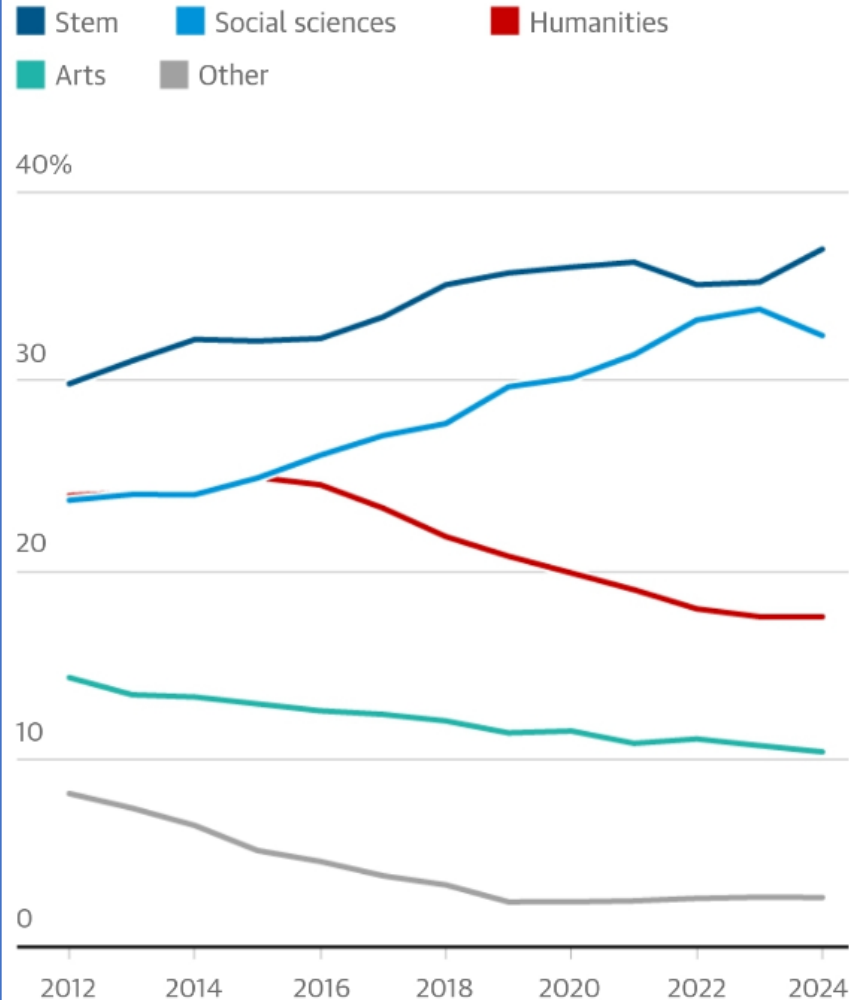

ALGORITHM

Stem subjects and social sciences have grown in popularity

Proportion of exams sat by subject group, %

Guardian graphic. Source: Joint Council for Qualifications. Base: English A-level students. Subject classification based on research by the National Foundation for Educational Research

Therefore, the uptake of STEM subjects is increasing year on year....

FUTURE

Future proof yourself with
A - Level Maths

SET YOURSELF APART

... and you will have to bring it.

When I consider the current Year 12's and 13's...

Entry Requirement:

**7
GRADE**

What you will need....

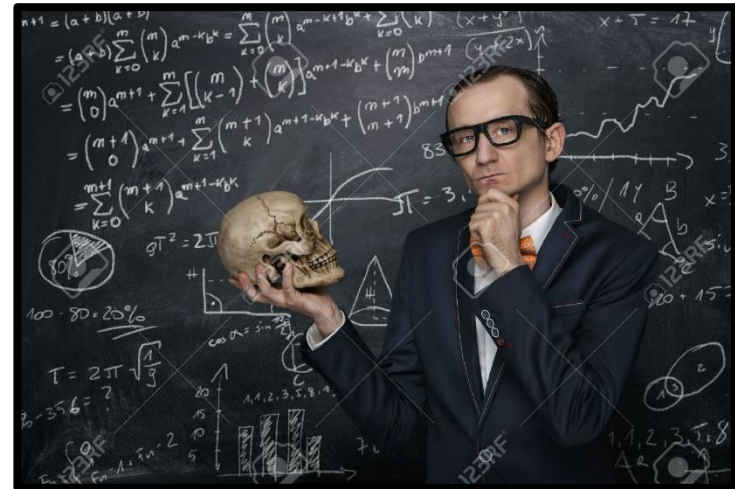

NOTHING
THAT'S
WORTHWHILE IS
EVER EASY,
REMEMBER THAT

What I've learned from observing you during Further Maths Club...

.... And (as always) I have been extremely impressed

This is literally you

So why Maths at Alleyne's?

- Amazing results
- Amazing teachers
- Amazing students
- Amazing enrichment opportunities
- Amazing outcomes into higher education
- We want you in our school!
- We want you in our community...

RESULTS

Grade	2021	2022	2023	2024	2025	Y13	Y12	Y11?
A*	2	1	0	1	1			
A	2	5	6	2	6			
B	7	4	3	0	4			
C	1	3	3	2	4			
D	1	4	2	3	3			
E	0	1	0	1	2			
Total	13	18	14	9	22	14 + 8 = 22	9 + 9 = 18	
Average Grade	B+	B-	B=	C+	C+			

Your school – your community!

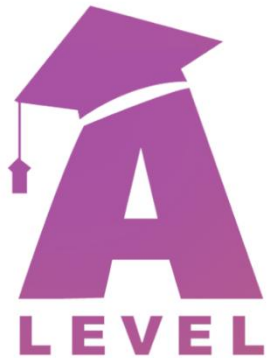

Who should choose Maths?

- Someone who enjoys Maths...
- Someone who needs Maths...
- Someone who is good at Maths...
- Someone who is ready for a challenge...
- **Someone who achieves at least *GCSE Grade 7...

THE
Rumors
ARE
TRUE
